Alma Mater

By the shores of the Swatara

There our loyal sons and daughters
Give all to be true.
Wave our colors, wave our colors
High against the sky,
There old Jonestown High School stands,
As the years go by.

This the 9th edition of the MAROON AND GOLD has been published so that we the class of '49 may have something by which to remember the joys and also the hardships which we have shared in J.H.S.

To the Graduates of 1949

The school year of 1948-49 has been eventful in both your lives and mine. We started the school year with four new faculty members, twenty more students than any previous year, renovations which included hardwood floors downstairs and a major portion of the building newly painted inside, new school furniture in two rooms, and additions in several of the departments. November saw the school win the District 3 soccer championship for the second consecutive year. The year then progressed with various plays, operettas, trips, classes, baseball, parties and all those things which make a happy school year.

Your class has indeed had four profitable years, and I hope happy ones. My wish for you is more of them and continued growth mentally and physically.

Board of Education

President—RALPH MOHN
Vice President—CHARLES LENTZ
Secretary—EDWARD MEINSLER
Treasurer—DAVID ISELE
Member—JOHN FORTNA

The job of the members of the Board of Education is to see that our school is managed in a democratic way. These members are elected by the people of the community. They direct the activities of the school and try to obtain the best education possible for all of the students.

They also voice the ideas of the people of the community as to how the school should be run. Following the principle that the students of today will be the community of tomorrow, the Board of Education undertakes the task of seeing that every student will graduate as a better citizen.

We, as the graduating students of 1949, express our sincere appreciation and thanks to the Board of Directors for their splendid work and cooperation throughout our four years at Jonestown High School.

Class History

AMBITION HAS NO END

Our high school days are coming to an end. We stop and look back over the four long, yes, difficult years which lay behind us. But now we must look ahead and contemplate what the future may hold for us.

The class of 1949 entered Jonestown High with ambitions which within a few months grew to be our aim towards achievement. We became fellow classmen all working together to reach that goal which lay ahead of us. As Freshmen, perhaps, not too much was accomplished, but nevertheless, the way we paved for the coming years.

The following year we gained some distinction by choosing cardinal red and grey as our class colors. Feeling that we could better attain our goal, we choose as our motto "Ambition Has No End." We were now more capable of making decisions for ourselves which resulted in our class having several outstanding leaders in the school.

Now we were finally considered as upperclassmen, having reached our Junior year. It was wonderful to become prominent at last. We captured outstanding awards in Halloween parades. Our class was well represented on the soccer team which won the Lebanon County Championship. Later in the year we chose our class rings and pins. We upheld our distinction by managing a very successful soup sale. The time drew nigh for the annual Junior Play. Due to some unknown circumstances we were left without a director. After being allowed to have a play if we obtained a director outside the school, we eagerly sought someone to help us. The play was finally directed by Catherine M. Hess, a graduate of J.H.S. We had a difficult and trying time, but we faced it and the play, "After All It's Spring" was a huge success. We always gained representation on the honor roll and later on members of our class were elected to the National Honor Society.

And now we are in our last year. Again we played a big part in capturing the Lebanon County Soccer Championship. We sponsored the Senior Turkey Dinner and published the annual "Maroon and Gold." We presented the play "The Bachelor's Wife" and again made a success of it. Our Senior trip and Commencement lie ahead of us. Commencement—our high school days gone by—and we go out into the world seeking to serve and to work for a richer fuller life.

To the coming Senior class we say, strive on toward your goal and always bear in mind that "Ambition Has No End."

First Row: Mary Jane Fortna, Henry E. Gerhart, Fern Bomberger, Lewis Artz, Esther Bean. *Second Row:* Warren Hess, Paul Wentling.

Maroon and Gold Staff

After much hard work mentally, physically, and emotionally, we have come to the part of the high school career most looked forward to—the publication of the Maroon and Gold.

We never before realized the work connected with a yearbook, such as—writeups—taking snapshots—advertisements—typing—and assembling it, and in addition have it in the printers' office on time.

We realize that this publication is far from being perfect. Now we are presenting to you, the ninth edition, so that it will appear as a satisfactory product to all who read it.

Ladies Only

Robert C. Allison

ROBERT C. ALLISON *"Chicken"*

Quiet until you learn to know him, that's "Chicken." This slap-happy, go-lucky fellow with his green Hudson is well acquainted with a certain freshman girl. From the subjects he has chosen it looks as though he will become a farmer.

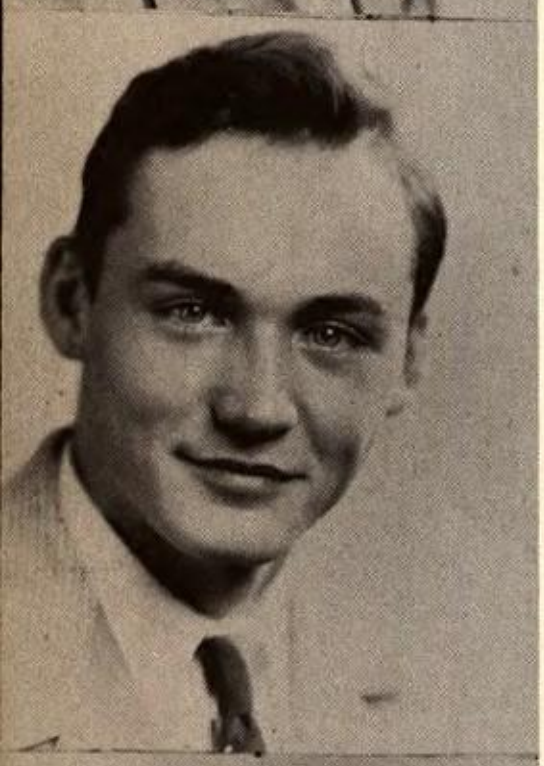
F.F.A. Reporter 1, 2, 3, 4; Hi-Y 1; Band 2; Ticket Committee 4.

Lewis I. Artz

LEWIS I. ARTZ *"Louie"*

"Louie" is tall, dark and handsome, so a certain red-head thinks. We wonder why he has become so interested in hockey all of a sudden. If you want the technical viewpoints on sports or girls ask "Louie."

Hi-Y 1, 2; Athletic Club 3, 4; Soccer 3, 4; Baseball 4; Editor of Maroon and Gold; Treasurer 3; Newspaper Staff 3; Junior Play.



RUSSELL L. ATKINS *"Russ"*

"Russ" is more the serious type. If you see a red car buzz downtown followed by a blue car buzzing uptown, "Russ" is the only answer. By the looks of it he intends to become a minister, Good-luck "Russ."

Asst. Secretary of Class 2; Science 2, 3, 4; Science Club, Vice President 2; Treasurer 4; Senior Play.

ESTHER R. BEAN

Quiet, sympathetic and generous that describes Esther. Esther seems to have an art in pulling A's. Is it a secret formula? Don't judge her by her reactions in class. She also has a keen sense of humor.

Library Club 2, 3, 4; Library Club Vice President 3; President 4; Library Asst. 2, 4; Newspaper Staff 3, 4; Maroon and Gold Staff; Junior Play; Senior Play Committee.

Esther Bean

Joy Blouch

JOY BLOUCH

In Joy we have an equal measure of wit, humor, and ability. Most of her spare time is spent listening to the radio. Joy seems a rather quiet girl but wait until you get acquainted, and no one can be a merrier or a better fun maker than she.

Tri-Hi-Y 1; Library Club 2, 3, 4; Library Club Treasurer 2.

Fern I. Bomberger

FERN I. BOMBERGER *"Bomby"*

Squeek! Squeek! here comes Fern. Fern is the best blusher of the class and has been our very capable secretary for the past three years. Fern plans to enter nurses' training, but we feel that, that squeek will have different ideas.

Dramatics 1, 2, 3, 4; President 2, 4; Tri-Hi-Y 1; Office Assistant 2, 3, 4; Class Secretary 2, 3, 4; Maroon and Gold Staff; Junior Play; Senior Play; Newspaper Staff 3; Chorus 1, 2, 3, 4; Operetta 3, 4; County Chorus; Turkey Supper Committee; General Fund Treasurer 3, 4.

EMMA A. DENNING *"Denning"*

Here is a girl who always has her home work finished and who is not stingy with it. Emma's ambition is to become a nurse, and we are certain she will be a success. We wish you lots of luck.

Dramatics 1, 2, 3, 4; Secretary 2 and 3; Treasurer 4; Newspaper 4; National Honor Society 3 and 4; Ticket Committee 4; Junior Play.

Emma Denning

James M. Donmoyer

JAMES M. DONMOYER *"Jim"*

Don't let the size of this little guy fool you. He seems to be talented in all kinds of sports. Jim is familiar with girls, "none in particular." He studies just enough to get by! He is a dear hunter, oops! we mean a deer hunter.

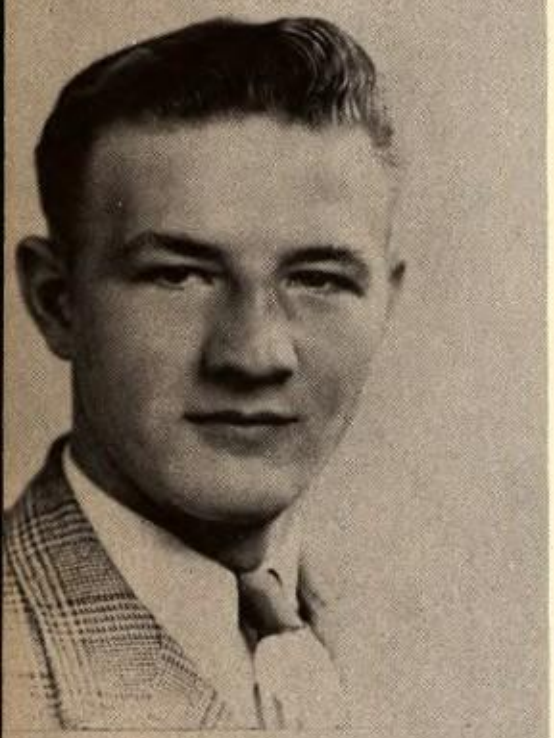
Hi-Y 1 and 2; Athletic Club 3, 4; Class President 2; Assistant Secretary 1; Junior Play; Soccer 2, 4; Baseball 2, 3, 4.

Edith Fortna

EDITH E. FORTNA *"Edie"*

"Edie" is a hard worker in all her subjects and also in her extra curricular activities. We are wondering how the library will function when "Edie" leaves. In case you are in need of help, "Edie" will lend a helping hand.

Tri-Hi-Y 1; Library 2, 3, 4; President 3; Vice President 4; Junior and Senior Play.

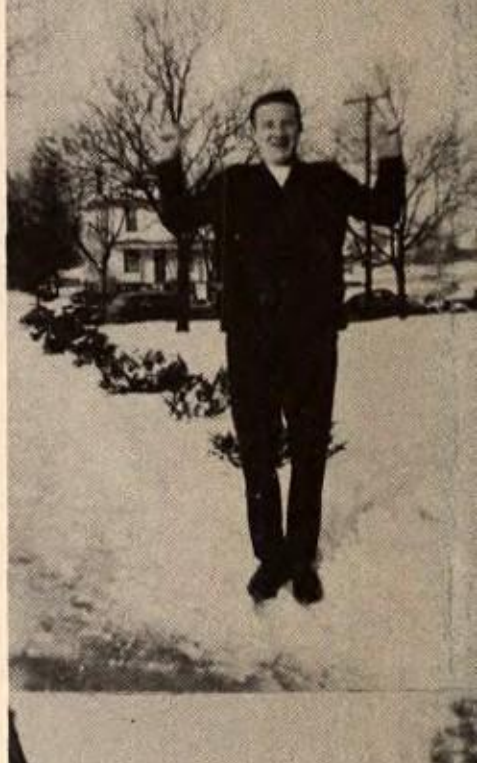


"Johnny"

JOHN E. FORTNA *"Nenner"*

This burly hunk of man hails from down on the farm. He participates in all kinds of sports. We wonder why he plays in the Republican Drum and Bugle Corps when he is a Democrat, so he says. Is it the bugle or the girls?

F.F.A. 1, 2, 3; President 4; Soccer 1, 2, 3, 4; Baseball 1, 2, 3, 4; Chorus 1, 2, 3, 4; Hi-Y 1; Operetta 2, 3; Band 2, 3, 4; County Chorus and County Band 3, 4; Keystone Farmer; State F.F.A. Band.



Kenneth J. Fortna

KENNETH J. FORTNA *"Kenny"*

"KENNY" is the grease monkey of the class. He spends much of his time repairing cars, but also finds time for sports and girls. "Kenny" is really a whiz at playing soccer. How about it girls? ? ?

Hi-Y 1, 2; Athletic Club 3, 4; Soccer 1, 2, 3, 4; Baseball 2, 3, 4; Office Assistant 3; Junior Play 3; Band 2, 3; County Band 2, 3.

"Janie Fortna"

MARY JANE FORTNA *"Janie"*

Janie is a well liked girl around the school. She doesn't bother too much about school, but she is quite active in extra curricular activities especially as a cheerleader. Janie is also a hard worker on the staff. She also likes Chevy cars, we wonder why? ? ?

Tri-Hi-Y 1, 4; F.H.A. 1, 2; President 3; Softball 1, 2; Newspaper Staff 3, 4; Senior Play; Junior Play; Cheerleader 2, 3, 4; Chorus 1, 2, 3, 4; Maroon and Gold Staff; County Chorus; Operetta 2, 4; Class Vice President 1, 2, 3.

Guy G Gerberich

GUY G. GERBERICH "G.G.G."

"G.G.G." is the quiet, conservative type until you get to know him. From the skill he has been showing in Agriculture and F.F.A. it seems that his future is well planned. "Good luck Guy."

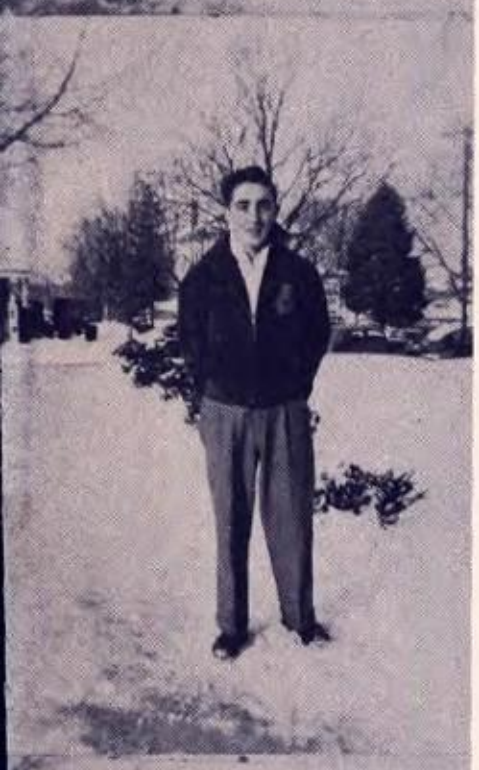
F.F.A. 1, 2, 3, 4; F.F.A. Sergeant at Arms 1, 2, 3.

Henry E. Gerhart

HENRY E. GERHART *"Henner"*

"Henner" is the business man of the class. No matter what work is to be done, "Henner" is always willing to lend a helping hand. If everybody would argue in P.O.D. class like "Henner," we wonder what would happen! He is also musically inclined, vocally as well as instrumentally.

F.F.A. 1, 2, 3, 4; Treasurer 4; Hi-Y 1; Class Treasurer 2; Class President 3; Soccer 1, 2, 3, 4 (Mgr.); Baseball (Mgr.) 3, 4; Band 2, 3, 4; Vice President 4; Office Assistant 3; Chorus 1, 2, 3, 4; Operetta 2, 3; Maroon and Gold Staff; F.F.A. State Band 3, 4; County Chorus 3, 4; County Band 3, 4; District Band 4; District Chorus 4.



Ray Gerhart.

RAY H. GERHART "Way"

Want to argue with someone who knows something? ? ? look up "Way." For four years he has been trying to find some secret formula to get by with little or no preparation in studies. We are sure "Way" will succeed in his ambition.

F.F.A. 1, 2, 3, 4; Hi-Y 1.

Mark H.A. Grumbine

MARK H. A. GRUMBINE *"Hunter"*

"Hunter" is the quiet type who never does anyone an injustice. We had thought about buying Hunter an alarm clock for English Class, but that would annoy the class. He seems to have taken an interest in the Science Club.

Science Club 2, 3, 4.

Warren C. Hess

WARREN C. HESS *"Hessie"*

It's a bird, it's a plane! Oh, no, it's "Hessie" and his "Hubmobile;" but driving a car isn't his only interest. This modern Diogenes has great ambitions. We wonder what kind? We wish "Hessie" the best of luck when he goes to the school of higher learning.

Hi-Y; Science Club 2; President 3 and 4; Chorus 1, 2, 3, 4; Band 2, (Vice President 3), 4; Soccer 2, 3, 4; Junior Play; Senior Play; Class Treasurer 1; Vice President 4; Operetta 2, 3; County Band 3, 4; County Chorus 4; District Band 4.

Evelyn Kohr

EVELYN M. KOHR *"Evie"*

This sweet and lovely little terror seems to enjoy the Luncheonette, or is it patrons? "Evie's" main interest in boys, none in particular. "Evie" has hidden talents which are very seldom evident.

F.H.A. 2, 3, 4; President 4; Vice President 3; Tri-Hi-Y 1; Chorus 1, 2, 3, 4; Cheerleader 3, 4; Junior and Senior Play; County Chorus 4; Operetta 4.

Evelyn Kreiser

EVELYN J. KREISER *"Evie"*

"Evie" has been extremely active in her extra curricular activities in high school as well as in classes. She has a certain technique in getting along with anybody. We wonder why she likes the Fords from Harpers? ? ? "Evie" will make a good Homemaker for some lucky boy.

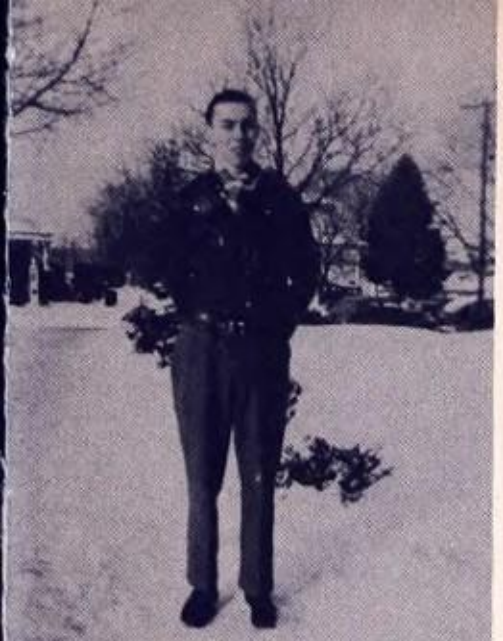
Chorus 1, 2, 3, 4; Newspaper 3, 4; Dramatic 2; Science Club Secretary 3; Tri-Hi-Y 4; Junior and Senior Play; Operetta 4.

Guy W. Kreiser

GUY W. KREISER *"Squeeky"*

When it comes to Chemistry and Physics "Squeeky" is right there. He seems to have an art in drawing A's, but he can also take time out for a good joke. "Squeeky" is a great follower of the A's and Connie, not Mack either.

Science Club 1, 2, 3, 4; Vice President 3 and 4; Junior Play; National Honor Society 3 and 4; Class Treasurer 4; Stage Committee 4.

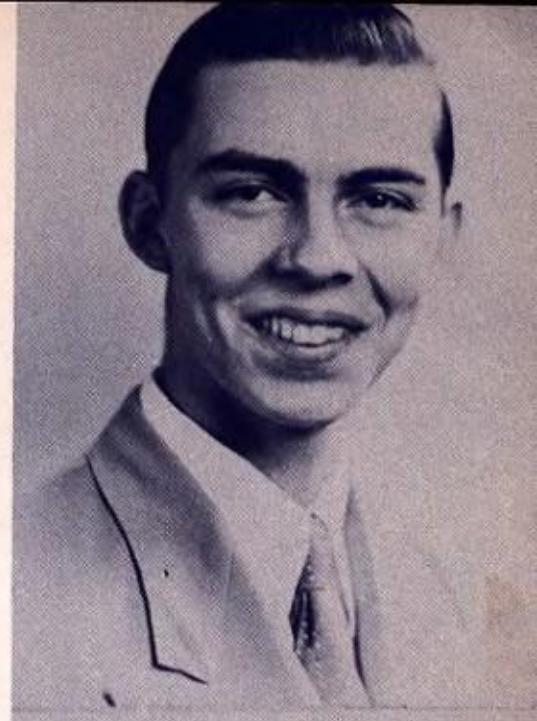


Robert P. Lightner Isiah 53-5

ROBERT P. LIGHTNER *"Bob"*

This is one of the few Democrats in the class. Bob prefers Physical Ed. to P.O.D. We wonder where Bob spends most of his Monday evenings? ? ? ? ? ? How does he rate driving the new Plymouth and Chrysler? Bob is a ladies man by the way things look at Sand Hill.

Hi-Y 1; F.F.A. 2, 3, 4; Chorus 1.



DORIS A. NEIDIG *"Slim"*

This chatter box can be disturbing if you want to study or even if you don't. "Slim" is also involved in the giggling club and sometimes the leader of the gang. This baby-blimp of the class enjoys jitterbugging, skating, and swimming.

Tri-Hi-Y 1, 4; F.H.A. 1, 2; Dramatic 3; Softball 1, 2; Newspaper Staff 3, 4; Editor 4; Patriot News Reporter; Senior Play.

Doris Neidig

Carl A Rhen

CARL A. RHEN *"Rheny"*

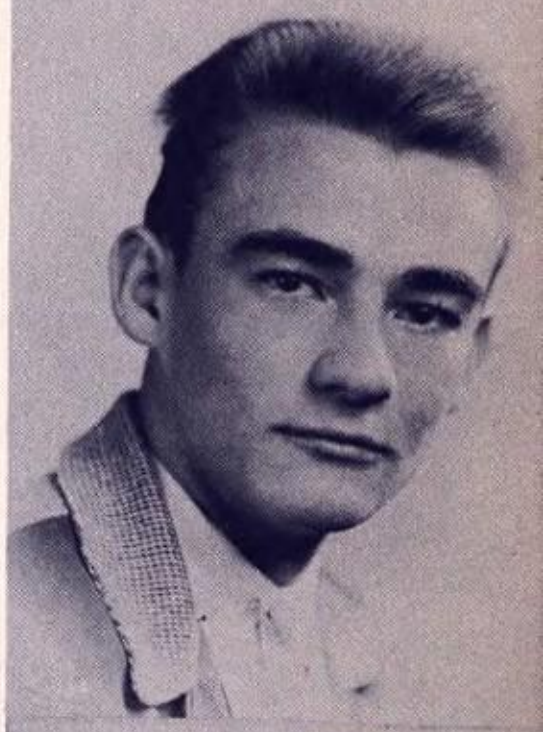
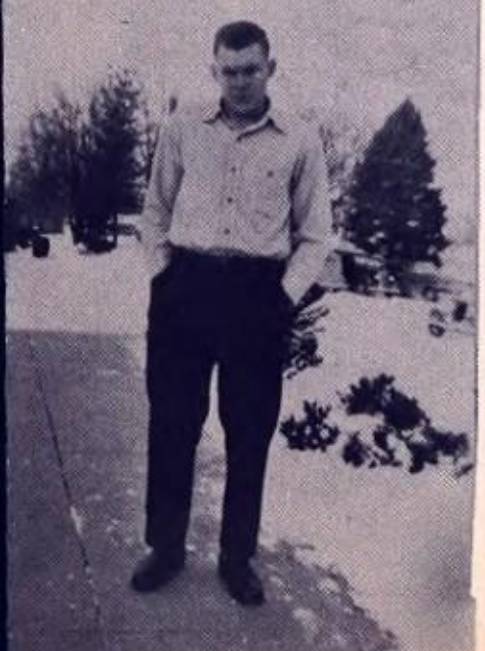
Soccer 1, 2, 3, 4; Baseball 1, 2, 3, 4; Track 3, 4; F.F.A. 1, 2; Vice President 3, 4; Hi-Y 1; Band President 2; F.F.A. State Band; Junior Play; Senior Play.



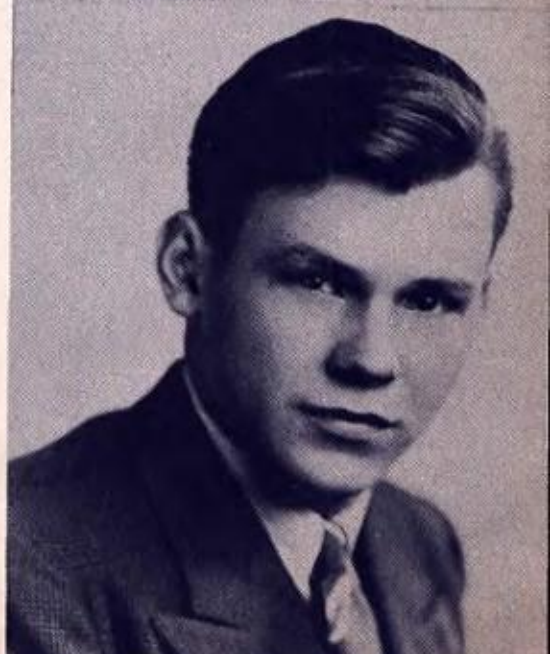


Irvin E. Rupp

IRVIN E. RUPP *"Bosh"*

"Bosh" is our Charles Atlas. His favorite subject is shop work. Don't let him fool you about his ability, he surprises even himself sometimes. "Rupp" is a member of the Ridge-Runner Society. "Rupp" is a lover of all girls and master of none.

F.F.A. 1, 2, 3; Baseball 2, 3, 4.



Shirley M Sholly

SHIRLEY M. SHOLLY *"Toots"*

Quiet, good-natured and reserved. She is more interested in the opposite sex than one thinks. Shirley is interested in sports and has been noted the most athletic girl in the senior class. Her ambition is to be a nurse. We wish her a successful career.

Tri-Hi-Y 1; Dramatics 2 and 3; Science 4; Secretary.

Eva Mae Spotts

EVA MAE SPOTTS *"Spottsev"*

Dramatics 3; Vice President; Secretary 4; Library 1, 2; Newspaper 3; Library Assistant 2, 3.

Paul Wentling

PAUL W. WENTLING *"Ike"*

As President, Paul seems to get all his tasks accomplished. When it comes to sports, Paul is one senior who will certainly be missed. Paul's Chrysler has been engaged in quite a bit of service here of late. Could it be that a certain somebody could be the reason? ? ? ?

A Look at the Future

Jonestown, Pennsylvania
May 20, 1959

Dear Clem:

My how the years go by. Ten whole years since I've heard or written to you. Well I decided to catch up on some gossip and information.

First I must tell you about the delicious meals they're serving at Kreiser's Restaurant since they've moved over to Jonestown and are under the new managers. You remember Mrs. Kreiser as the former Fern Bomberger, she is continuing her past occupation.

Mr. and Mrs. Kreiser are in partnership with Lightner's Taxi Service, who usually brings customers to and from their restaurant. However Miss Taxi is giving him competition since she's running her Taxi's with the motto, "your destination in umteenth of a sec." You must remember Miss Taxi as Joy Blouch, the feminine cowboy of the senior class of '49.

Emma Denning is superintendent of nurses in the General Hospital and is seeing that John Fortna, who is constantly coming in with broken ribs, legs, etc., because his cattle aren't treating him too well, is well taken care of.

Edith Fortna and Esther Bean are head librarians at Congressional Library.

Evelyn Kreiser Donmoyer has had great success as a seamstress and dress designer, at present she is designing and making Eva Mae Spotts' costume for her work at "The Style Shop" where she is a model.

Shirley Sholly is the assistant personnel manager at Gimbels Dept. Store at Green Point. Ray Gerhart is also employed there as chief floor-walker.

Remember that guy that used to raise up in math class, Kenny Fortna. He is now chief mechanic at Long's garage.

If you should be so fortunate as to visit the state of Texas and have the opportunity, do visit the "Lazy Lagoon" ranch owned and operated by Evie Kohr, she is continuing her hillbilly life in style.

But here is the very latest. Henry Gerhart and Warren Hess are replacing Carl Ramsey on the cornet and Robert Isele on the trombone, in the U. S. Marine Band. You will remember Henry as the Purina Feed Salesman back in '49 and Warren Hess has improved since he's driving a new '59 Hupmobile.

But if it's outdoor entertainment you're looking for, do come to see the auto races since Janie and Carl Rhen joined the racing team with the Chevy and Ford.

My! My! now I've rambled on so long, but I haven't told you nearly all the news. I just now received a bulletin saying Doris Neidig's Reducing Salon, where she is also teaching Ju Jitsu, has burned, but thanks to Mark Grumbine and Irvin Rupp, the Ridge Runners Firemen, her equipment was saved.

I saw the best game Michigan ever played on Sat. with Jim Donmoyer in there playing center and Paul Wentling backing him up at full back. It was really a good game. The announcer's voice sounded familiar till I glanced on my program and saw that it was none other than Lewis Artz.

There are super pictures showing at the Bijou theater since Robert Allison is the Manager. In one of the shorts it showed pictures of Guy Gerberich's farming skill. Just after the show was over and we were walking out, whose voice do you think came over the phonograph but, Russ Atkins, singing "Sit Down," an old favorite that he used to sing at J. H. S.

Well, now that I have revealed all of this latest gossip to you, I am going to close this letter. Hoping this letter will find you in the best of health.

Drooling yours,
Cadiddle-Hopper

We, the class of '50, entered the school in the 1946-1947 term. It all seemed strange to us but we were quick to catch on to the routine of the school.

We sponsored roller skating parties and entered hallowe'en parades. We succeeded in having a profitable soup sale. Under Mrs. Light's direction we are sure to have a successful junior play.

Each year was better than the last. We chose class officers each term. As the class of '50 we chose Cardinal Red and Silver Gray as our colors, Talisman rose as our flower and our motto is "Launched but not anchored." In our Sophomore year we bought felt wear. In our Junior year we bought our class rings. We are now looking forward to a successful senior year.

We the class of '51 numbered fifty-six when we entered Jonestown High School in the fall of 1947.

We have participated in many events in our young high school career which were: selling candy at noon in room five, participating in the fair and also sponsored two roller skating parties.

We chose as our class colors: Kelly Green and White, and later received our felt wear.

We hope the following two years of our high school career will be as successful as the last two have been.

In the fall of 1948 a troop of 67 very scared and nervous boys and girls entered the halls of the Jonestown High School. At first we could only gaze about in awe, but soon learned the customs of the school. Before we realized what had happened, we had settled down to real hard work. Our class officers were elected and our class was operating just as we dreamed it would.

After a few weeks the members of our class participated in all activities. We joined in many social gatherings that were held and took an active part in all events that were given by the high school.

As we turn back to our freshman year we can feel that it was a happy and successful year.

So we as freshmen will at all times try to uphold our motto to strive for the best for ourselves and our high school.

The Jonestown Tri-Hi-Y began the term of 1948-1949 by opening its membership to the high school girls who desired to become members of this Christian organization.

Many activities were carried on during the term, such as Mother and Daughter social, a roller skating party, and food was collected for a poor family in Jonestown.

The purpose of this organization is to create, maintain, and extend throughout the school and community, high standards of Christian character. Its objective is "To seek, to find, to share;" its slogan "Pure Thoughts, Pure Words, Pure Actions;" its platform, "Self-Improvement, Christian Fellowship, United Service;" its colors, Red, White, and Blue—exemplifying Sacrifice, Purity, and Loyalty; and its insignia, the Bible, the Flag, and a Torch—emblematic of Truth, Justice and Progress.

This year the Library again was reorganized with a surprising number of seventeen. Under our new adviser, Miss Catherine Snyder, the library club undertakes the duties of a librarian. We are expecting to go on a field trip near the end of the term. We also mended the books and kept them in repair.

First Row: Catherine Snyder (Adviser), Arline Bomberger, Edith Fortna, Esther Bean, Joy Blouch, Larene Werner. *Second Row:* Lucille Lentz, Shirley Kohr, Janet Ebling, Esther Fortna, Doris Reed, Wilma Harris, Janet Reigel, Ruth Mickey.

Twenty members are to participate in the County Festival and a few are entered in the District Band.

Many new engagements are scheduled for the coming year and we hope to have a year of many successes.

First among the purposes of the Future Homemakers of America is to promote growing appreciation of the joys and satisfaction of homemaking. With the guidance of our new adviser, Mrs. Wolfe and club mother, Mrs. William Spannuth, the club has made preparations for a future after our high school years. "You may live without music, you may live without books; But the civilized man can't live without cooks."

With twenty-one girls we got much accomplished this term. At the home soccer games we supplied the spectators with hot chocolate and hot dogs. The initiation was formal and informal ending with refreshments in the Home Economics Room. The club won a prize by marching as a group in Jonestown's Halloween Parade. The next event was a roller-skating party at the Lebnadrome Rink.

The Dramatics Club is an organization which spends much time in learning the principles of good stage production. As time goes on there are many students who are desirous of learning the factors of play-acting. This year there are quite a number of Freshmen who are members of this activity. With the help and under the direction of Miss Snavely the new members will accomplish their purpose.

Meetings are held every two weeks on a Friday during the activity period. After the business meeting several members of the Club present skits and playlets. Members who do not participate in the playlet serve as the audience and critics. This gives the members of the play some good experience.

Because there are members leaving each year, underclassmen have the opportunity of becoming members of the club. Although being a member in the Dramatics Club means much practice, pleasure is derived from participation.

They are Henry Gerhart and John Fortna in the State Band, Richard Blouch, Dairy Judging, and Richard Mease and Guy Gerberich, Poultry Judging.

Some of their duties include the timing of class periods, answering the telephone, greeting visitors and other general office work.

Newspaper Staff

Under the supervision of Miss Snyder, our adviser, we, the newspaper staff, have submitted several editions to different newspapers which were edited and circulated to many towns.

The name given to our newspaper is Sweet Arrow, which was picked from many other entries. It is Published Monthly and consists of class activities, jokes, fashions, household hints, gossip, sports news, etc.

Senior Play

Under the direction of Miss Lottie Snavely our class presented the annual Senior Play entitled "Bachelor's Wife."

The story centered around an ambitious young bachelor, who wanted to be a writer. He depended upon his wealthy father to support him. But his scheme was broken when his father decided to visit him. He has his best friend and his daughter pose as his wife and child. This added a great amount of humour. Everything was coming along fine until his neighbor came in and blew up the plan. In the end everything turned out fine.

It was presented the 8th and 9th of December, to a large audience. The cast was as follows: Warren Hess, Paul Wentling, Edith Fortna, Evelyn Kohr, Mary Jane Fortna, Fern Bomberger, Doris Neidig, Evelyn Kreiser, Carl Rhen and Russell Atkins.

Under the direction of Mrs. Light assisted by Miss Snyder the Junior Class presented the three act play "Go Slow Mary." It's about a young married couple facing many difficulties in their married life. They decide to exchange places, he takes her place in the home and she goes out into the business world. After each learning that they were wrong they return to their former jobs restoring peace in the home once more.

It was shown to a large appreciative audience on March 4th and 5th and the cast consisted of: Bill Schaeffer, Patricia Long, Joan Kneasel, Patricia Wood, Robert Fasnacht, William Sherman, Arlington Killinger, Jean Hock, Loretta Donmoyer, Richard Reigel and Russell Boeshore.

Junior Play

National Honor Society

President . . . Guy Kreiser

At the beginning of this century enrollments in high schools grew and social aspects were stimulated through increasing extra-curricular activities. In these activities, athletics and debating societies were at the center of the stage. Many school administrators began to notice how the academic interests were being overlooked. Even the incentives to stimulate better scholarship was not influential enough, because there was no standard scholarship. The administrators did little toward overcoming this inefficiency because precedent is a powerful factor when effecting reforms and schools were judged much by their athletic prowess. Finally the honor society was established in many schools and spread throughout the country. So the first high school honor society was chiefly organized for scholarship. But after the educators analyzed the needs of training for good citizenship, character, leadership, service, and scholarship, were proposed as the basic qualifications. Hence these are the four standards which must be recognized in students for their elgibility for membership.

A committee of the faculty and principal elect the members. Five per cent of the class is elected in their junior year, and ten per cent in their senior year. The total must not exceed fifteen per cent of the Senior Class.

These members of our Jonestown Chapter are held responsible to demonstrate these qualities at all times.

They have been elected from the upper third of their class, and also possess the qualities of character, service and leadership in all the school activities in which they participate. They are looked up to continue their worthy representation of their Alma Mater, as the members heretofore have done.

OPERETTA

Waltz Time

The story has to do with young Kirby Stevens who has a definite talent for musical composition, but whose tastes run to melody and beauty rather than swing and syncopated noise. His ambition is to compose a great waltz song, one that will live in the hearts of its hearers. In this ambition, he is derided by all his young friends and his family, but Sue Oliver, who is in love with Kirby, believes in his future and never ceases to encourage him. Kirby is so engrossed in his music, however, that he almost loses Sue to Gilmore Scott, his rival. Kirby composes the waltz song "My Sweetheart," never dreaming that unconsciously it is Sue who inspired it. After many discouragements, Kirby finally gets a hearing for his song and almost overnight, it sweeps the country. Just as suddenly he realizes his latent love for Sue and reclaims her as she is about to wed Gilmore. Throughout the comedy run several minor romances among the boys and girls. The entire comedy abounds in the sparkle and freshness of vivacious youth.

This year the Defending County and District 3 Soccer Champions of 1947, under the direction of a new coach, Mr. Hammes, started to practice the very first day of school. Nine of the former eleven first-stringers returned.

Our team started the season's games with a victory and finished the first-half with 6 wins and 1 loss which was good enough to make us first-half champs. Then we went on to win the second half, and also clinch the county championship, without losing a game in seven tries.

Having earned the right to the semi-finals for the district three championship, the county standard bearers continued their winning ways by beating Robesonia 3 to 2. We continued right on to win the second game from Mercersberg by a 2 to 1 score. In the final thriller, with Hamburg, we came from behind to win 2 to 1, and thus we remained the District 3 PIAA champs for another year.

In non-league games also the team was undefeated in four games. Bethel, however, tied our fellows 1-1 in the first game before we beat them 4-0. Reading was set-back twice, 1-0 and 2-1.

Probably the most exciting game of the season was the one with Hamburg.

Most of the credit for the fine playing of our team must go to our very able mentor, Mr. Hammes.

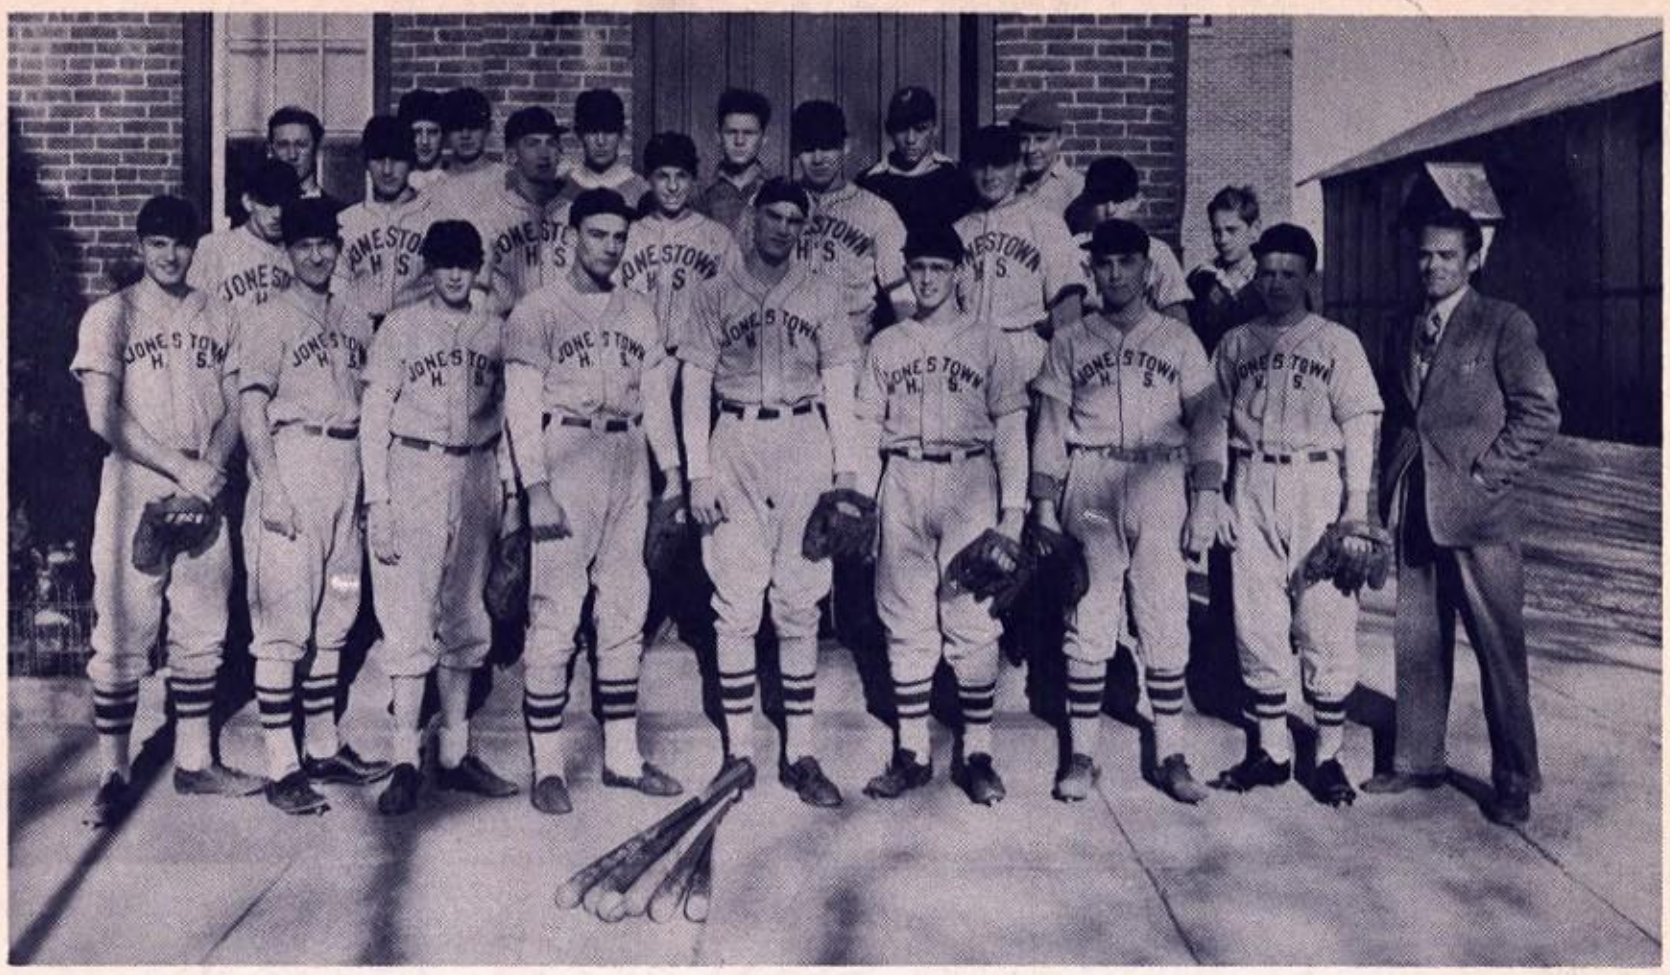
BASEBALL



Because of the early mild weather, the Maroon and Gold baseball team got off to a good start. After about two weeks practice, the team was diminished to twenty-three players.

Under the supervision of their new coach, Mr. Hammes, the squad is looking forward to being near the top, after a slow and unimpressive previous year, with seven of the players participating in their final year at J. H. S.

Track

With the approach of spring and mild weather the boys of the track team are again out for practice. This, their second year of participation in County meets, should be a successful year since most of the boys are experienced in this sport. The members of the team are as follows: Paul Wentling, Carl Rhen, John Rhen, William Schaeffer, and Richard Gettler.

These four cheerleaders followed the soccer team to all games. Cheering and leading the rest of the students in cheers which encouraged and helped lead the team to their victories, which brought the team honor and some fame.
